Stepping Stones to an Extraordinary Journey

Summer in Japan

Join JapanQuest Journeys On a Private Custom Journey to Japan this Summer

The chirping of cicadas in a small bamboo grove announces summer has arrived making the cooler air of the mountain resort of **Hakone** welcome---whose hills and lakes offer a range of perfect vantage points for gazing at the majestic **Mt. Fuji**.

Small villages and towns scattered in the countryside, the old castle town of **Kanazawa** and the living museums of the old merchant quarters of **Kurashiki** and **Takayama** invite you to take a taste of Japan's countryside where centuries-old traditions have braved the unforgiving crucible of modernity.

Cheerful summer festivals are held up and down the country in honor of ancestral spirits with the deep don-don of taiko drums resonating in the air making your heart beat faster and in unison with this country. Men and women, children and grandparents, all dressed in traditional summer kimono dance themselves into a trance of carefree happiness that embraces everyone watching them.
